

Greetings Friends and Family of Holden Christian Academy!
My name is Angie Morales, mother to two current HCA students and member of the HCA School Committee. On behalf of our entire school community, I would like to thank you for your generosity and support throughout the years. Your partnership plays a vital role in our mission of inspiring students to learn joyfully, think biblically, and serve faithfully!

Parenting is a most humbling experience. It is a sacred responsibility, requiring our dependence on God and His infinite wisdom. I believe this is part of God's design. In bringing us to dependence on Him as parents, we consequently model this dependence for our children. I remember distinctly how my husband and I felt when we toured HCA, recognizing that the concepts of depending on God and seeking His wisdom were echoing through the halls of this school as well (after all, Psalm 25 verses 4 and 5 are foundational scriptures for the school).

We were astounded! This was indeed an answer to prayer, as we were in search of a school rooted in the same faith and values that our children were learning at home and in church. HCA became our third strand of a strong, three stranded cord; one that is not easily broken.

It is my belief that we are raising a generation that will need unshakable faith and Godly strength. In a world that is changing at an unprecedented pace, the need for Christ in the hearts and minds of our children has never been more paramount. HCA is playing a critical role for such a time as this. Yes, students are receiving a rich and rigorous academic education, but even more importantly they are being equipped with the only foundation that will sustain them in years to come. They are walking in truth, and as a result, the fruit of a thriving relationship with the Lord will prevail in their lives!

"All your children will be taught by the Lord, and great will be their peace." Isaiah 54:13 NIV

For more than 30 years, God has sustained HCA through another three-stranded cord; a threefold partnership which is the sacrificial dedication of our staff and faculty, the faithful commitment of our families, and the generosity of friends like you who believe in this mission.

As we continue this mission, we invite you to prayerfully consider a gift to HCA's Annual Fund, or to join our Legacy Partners with regular ongoing donations. **Your support is more than a donation—it is an investment in young lives, helping students grow in faith, character, and truth, and equipping them to follow Christ with confidence.**

As 2 Chronicles 16:9 reminds us, *"The eyes of the Lord search the whole earth in order to strengthen those whose hearts are fully committed to Him."* Together, we can be partners in that work—building a generation whose hearts are committed to Him; a generation that knows where their strength comes from!

With Gratitude, Angie Morales for the HCA School Committee
